

All Rooms are single rooms with private bathrooms. All rooms are equipped to adapt to the use of a lift.

Each neighbourhood has a spa room, which includes a lift tub, shower and towel warmer.

## Our Communities

In Evergreen Care we have 9 communities. The sizes of the communities range from 25 to 29 residents. Each community is divided into two neighbourhoods, each with their own lounge and dining room.

Private Pay Suites are located on the 6th, 7th and 8th floors of our Terraces building, and have ocean views.

All meals are prepared on site, and are served plated to all of our residents.

All communities are staffed according to Fraser Health requirements.
